ORS has no objection to the request.

David- I realize that you are on vacation this week, but I would like to request an extension until Monday July 12th to submit the proposed order.

I am checking with Shealy to make sure the ORS is ok with this.

Many thanks for your help-

Jack Pringle

Jack and Shealy:

As you may recall, the record will reflect that proposed orders in this docket are due on Monday, July 5, 2010. As it turns out, Monday, July 5, 2010 is actually a State Holiday, so, technically you could have until Tuesday, July 6, 2010 to file. However, it occurred to me that I am actually on vacation that week anyway. If you would like an extension until Monday, July 12, 2010 to file, I would have no objection. If you want to do this, please e-mail me a request for an extension until that date. If not, you will have until Tuesday, July 6, 2010 to file proposed orders under the rules of the Commission.

Thanks,

David Butler
